

Types of Bins on Campus	What to Recycle	What to Trash or Take Away
<h3>Cans and Bottles Bins</h3> 	<ul style="list-style-type: none"> - Plastic marked #1 or #2  - Plastic bottles with necks e.g. water bottles, shampoo bottles, milk jugs, or laundry detergent bottles - Aluminum cans - Unbroken glass containers 	<ul style="list-style-type: none"> - Grocery bags – recycle these at a local grocery store - Solo cups (unless they're marked #1 or #2) - Plastic marked #5 (like yogurt, butter other plastic containers) – bring them to Whole Foods where you can find a <i>preserve gimme 5</i> recycling bin by the exit
<h3>Comingled Paper Bins</h3> 	<ul style="list-style-type: none"> - Newspapers - Magazines - Junk mail - Printer paper - Notebook paper - Cardboard boxes - Cereal and shoe boxes - Soft cover books - Phone books - Egg cartons (with no egg residue) 	<ul style="list-style-type: none"> - Paper towels and napkins - Tissues - Pizza boxes that are contaminated with grease - Beverage cups with a waxy coating - Styrofoam containers or cups
<h3>E-waste Bins</h3> <p>(available in the Library, Benson and the University Bookstore)</p> 	<ul style="list-style-type: none"> - Printer Cartridges - Cell phones, chargers and accessories - MP3 players, iPods, Digital cameras - CDs, DVDs, CD-Rs, diskettes and virtually all other type of computer tapes - Rechargeable batteries and their chargers - Hand-held games - Computer/Printer cords and accessories 	<ul style="list-style-type: none"> - Regular, non-rechargeable alkaline batteries - Computers and Printers – send personal computers back to the manufacturer or take them to an electronics recycler like the program at Goodwill; all WFU computers need to be returned to Information Services for repurposing and/or recycling

Remember: All food waste goes into the trash bins, not the recycling bins!
