

# WFU Alternative Transportation Options

## Zipcar

An annual Zipcar membership allows you to reserve one of the five vehicles on campus for a low hourly or daily rate that includes the cost of gas and insurance.

## Cycle

Healthy for you and healthy for our environment. Don't have a bike on campus? Not a problem. Check out the Wake Forest bike-sharing program, Re-Cycle.

## Zimride

Zimride is a private, free ride-sharing board to help you connect with others in the WFU community who are traveling in the same direction or to the same destination.

## Winston-Salem Transit

Whether you're commuting to work or class, meeting friends or running errands, Route 74 and 444 will help you get there.

## Wake Line

Wake Forest offers free shuttle service to downtown Winston-Salem, BB&T Stadium, Hanes Mall, Sherwood Plaza, and Winston-Salem North Target.

## Walk or Wheel

Physical activity is beneficial for all bodies. Walking or wheeling to work, a friend's dorm or the bus stop are great ways to stay active.
