

WFU Alternative Transportation Options

WAKE FOREST
SUSTAINABILITY

WANT MORE? Visit: sustainability.wfu.edu/programs/alternative-transportation

Winston-Salem Transit

Whether you're commuting to work or class, meeting friends or running errands, Route 74 and 444 will help you get there.

Zipcar

An annual Zipcar membership allows you to reserve one of the five vehicles on campus for a low hourly or daily rate that includes the cost of gas and insurance.

Wake Line

Wake Forest offers free shuttle service to downtown Winston-Salem, BB&T Stadium, Hanes Mall, Sherwood Plaza, and Winston-Salem North Target.

Zimride

Zimride is a private, free ride-sharing board to help you connect with others in the WFU community who are traveling in the same direction or to the same destination.

Walk or Wheel

Physical activity is beneficial for all bodies. Walking or wheeling to work, a friend's dorm or the bus stop are great ways to stay active.

Cycle

Healthy for you and healthy for our environment. Don't have a bike on campus? Not a problem. Check out the Wake Forest bike-sharing program, Re-Cycle.
